The Company may set up branches or offices in other locations that it will consider appropriate based on a Board of Directors decision, on the condition that the Capital Market Board and the Ministry of Customs and Trade are informed as well.

Duration:

Article 6 - The Company is established for an indefinite period.

SECTION II:

Capital:

Article 7- The Company adopted the authorized capital system as per the provisions of the Capital Market Law (CML) and started to implement this system based on the permission dated 13.10.1988 no. 547 of the Capital Market Board.

The authorized capital cap of the Company is TL 8,500,000,000 and is divided into 850,000,000,000 shares, each with a nominal value of 1 (one) Kurus. The authorized capital cap permission granted by the Capital Market Board is valid for the years 2023-2027 (5 years). Even if the authorized capital cap which is permitted cannot be reached at the end of 2027, in order for the board of directors to take a capital increase decision after 2027, authorization must be obtained for a new period not exceeding 5 years from the general assembly, by obtaining permission from the Capital Market Board for the cap previously permitted or a new cap amount. If the aforementioned authorization cannot be obtained, capital increase cannot be applied with a board of directors decision.

The company's issued capital is in the amount of 8,430,000,000 (eight billion four hundred thirty million) Turkish Liras which is wholly paid, comprised of 843,000,000,000 (eight hundred forty three billion) shares, each with a nominal value of 1 (one) Kurus.

The Board of Directors is authorized to increase the issued capital by issuing registered or bearer shares up to the authorized capital cap and to take decisions on the restriction of shareholders' right to acquire new shares and issuance of premium shares or shares lower than their nominal value at times when deemed necessary in accordance with the provisions of the Capital Market Law, between 2023-2027. The authority to restrict new share acquisition cannot be exercised by creating inequality among shareholders.

The shares representing the capital are recognized in dematerialized form, within the framework of the principles on dematerialization.

Each share grants 1 voting right

Founders' Shares:

Article 8 - Three hundred registered and unpaid founding shares will be issued by the Board of Directors. These certificates will be distributed among the founders who paid the initial capital and the persons who replace them partially or wholly, in proportion to the amount of shares. However, if the amount to be obtained with this ratio corresponds to only half of the value of a share, it will not be taken into account; but if it exceeds the half, it will be completed to the value of a share, no more than fifty shareholders will be given founders' shares exceeding this amount.

The founders' shares which will increase as a result of this distribution to be made in proportion to the amount of shares will be distributed to the persons who have visible efforts in founding, developing and sustaining the Company, at the discretion of the Board of Directors.

Increase or Reduction of Capital:

Article 9 - The Company's capital can be increased or reduced within the framework of the provisions of the Turkish Commercial Law and Capital Market Legislation when necessary.

Issue of Capital Market Instruments:

Article 10 - The Company may issue all kinds of capital instruments in accordance with the provisions of the Capital Market Law and other effective legislation, for sale to natural and legal persons in Turkey and abroad. The Board of Directors is authorized indefinitely to issue the Company's bonds, financing bills and other capital market instruments in the nature of debt instruments in accordance with the provisions of the relevant legislation.

SECTION III:

Board of Directors:

Article 11 - The affairs and administration of the Company shall be carried out by the Board of Directors.

The Board of Directors shall be comprised of at least 5 and maximum 9 members, who will be elected in accordance with the provisions of TCL and CMB by the General Assembly. The number and qualifications of the independent members who will be assigned to the board of directors shall be determined according to the regulations of the Capital Market Board regarding corporate governance.

The General Assembly shall determine the number of Board of Directors members so that it will be possible for them to carry out efficient and constructive works, take quick and rational decisions and effectively organize the establishment and works of committees.

Duration of the Board of Directors:

Article 12 - Independent members of the board of directors shall be elected for one year, while the other members shall be elected for three years. Board of Directors members whose election term has expired can be elected again. If a membership becomes vacant for any reason, the Board of Directors shall temporarily appoint an individual who fulfills the conditions specified in the capital market legislation and this Articles of Association to this membership and submit this appointment to the first General Assembly for approval. The member selected in this way shall complete the term of office of the former member.

If deemed necessary, the General Assembly may always replace Board of Directors members.

Meetings:

Article 13 - The Board of Directors shall convene at the headquarters of the Company or at another location pursuant to a Board of Directors decision, at least six times in a year or whenever required by the Company's business. The Board of Directors shall appoint a chairman among the members and at least one deputy chairman as deputy in the chairman's absence during the first meeting every year. The manner of convention, meetings and decision quorum, voting, duties, rights and authorities of the Board of Directors are subject to the provisions of TCL and related legislation.

Decisions of the Board of Directors shall be entered in the decision book. They shall be signed by the chairman and members.

The Corporate Governance Principles required by the Capital Market Board shall be complied with. Transactions conducted and board of directors decisions taken without complying with the mandatory principles shall be invalid and shall be deemed to conflict with the articles of association.

In terms of application of Corporate Governance Principles, regulations of the Capital Market Law concerning corporate governance shall be complied with in the transactions deemed material, **material** related party transactions of the company and transactions concerning the issuance of guarantee, bail and mortgage in favor of third parties.

The Board of Directors may delegate all or some of the representation and management authorities of the Company to one or more executive members among the Board members other than independent board members. **The provisions of the article 367 of TCL shall be reserved in this regard.**

If none of the members requests a meeting, the board of directors decisions can also be taken by obtaining written approval of at least the majority of the total number of members for the proposal made by one of the board members in a certain matter and written in the form of a decision. The decision to be taken in this way shall be valid on the condition that the same proposal is made to all members of the board of directors. Approvals do not have to be on the same paper; however, in order for the decision to be valid, all papers containing the approval signatures must be affixed to the board of directors decision book or must be entered in the decision book after being transformed to a decision containing the signatures of the members who accept it.

Decisions shall be valid on the condition that they are written and signed.
Board of directors members may not vote in representation of each other; nor may they attend meetings through proxies.

If the votes are equal, that issue shall be addressed in the next meeting. If they are equal in the second meeting as well, the proposal in question shall be deemed to be rejected.

Authorities of the Board of Directors:

Article 14 - The Board of Directors is in charge of managing the Company and representing it externally.

Except for the administrative and representation powers determined pursuant to Board of Directors Decisions regarding the appointment of executive directors or members pursuant to **paragraph 5** of Article 13 of the Articles of Association, in order for all documents and contracts to be made by the company to be valid, they must bear the Company's title and signatures of at least two individuals authorized to represent the Company.

The terms of office and authority of the general manager, deputy general managers, managers and other signatories of the Company are not limited with the terms of office of the Board of Directors members.

The persons who will be authorized to sign on behalf of the company and how they will sign on behalf of the Company shall be determined, registered and announced by the Board of Directors.

Except the inalienable duties and powers defined in the article 375 of the Turkish Commercial Law, the Board of Directors is authorized to transfer the management partially or wholly to one or more than one board of directors members or to a third person as per an internal directive that it will draw up under the article 367 of the Turkish Commercial Law. Furthermore, the board of directors may assign the representation authority to one or more executive directors or a third person as manager. At least one member of the board of directors must be authorized to represent the company.

Acquisition, pledge, etc. transactions concerning the own shares of the Company shall be carried out by the Board of Directors. Provisions of TCL and the related legislation shall be complied with in this regard.

Duties of the Board of Directors:

Article 15 - The primary duties of the Board of Directors are fulfilling the General Assembly decisions, inviting the General Assembly to meeting within the framework of the provisions of the law and the Articles of Association, executing all kinds of savings deemed necessary and beneficial on behalf of the Company, buying and acquiring immovables and other real rights on behalf of the Company; restricting the immovables of the company with a real right or performing a sale transaction, renting and leasing all kinds of movable and immovable property to be deemed necessary for the Company, borrowing and lending money in the name and on account of the Company, establishing mortgage on the Company's immovable property in cases where necessary, accepting and approving mortgages from real or legal persons on behalf of the company, releasing these mortgages and all kinds of restrictions and installments, and making the necessary release statements.

The principles determined within the framework of the capital market legislation shall be complied with in the provision of guarantee, surety, security or pledge including mortgage on behalf of the Company and in favor of third parties.

The Board of Directors is authorized to take decisions regarding all transactions other than those that must be exclusively decided by the General Assembly as per Laws and the Articles of Association.

Fees of Members of the Board of Directors:

Article 16 - Fees of the members of the Board of Directors are decided by the General Assembly.

Appointment and Duties of the General Manager:

Article 17 - The Company's General Manager is appointed by the Board of Directors.

The General Manager conducts the affairs of the Company within the framework of the decisions of the Board of Directors and in accordance with the principles set in the legislation.

Transfer of the Authorities to the General Manager

Article 18 - The general manager is liable for managing the Company in accordance with the decisions of the Board of Directors and TCL, CML, Capital Market Board Communiqués and provisions of other relevant legislation.

The authorities to represent the Company before public offices, private institutions and persons, assemblies, courts, all judicial and administrative authorities and authorities relating to settlement, release and arbitration in disputes belong to the Board of Directors, which may **duly** assign some of these authorities to the General Manager, as required and obligated by the work.

The financial statements and reports required to be issued by the Capital Market Board and the independent audit report, if the Company is subject to independent audit, shall be disclosed to the public within the framework of the principles and procedures determined by the Capital Market Board and the relevant provisions of the TCL.

SECTION VI:**Operating Period:**

Article 33 - The company's **operating period** starts from the first day of January and ends on the last day of December.

Determination and Distribution of the Profit:

Article 34 - The General Assembly is authorized to take decisions on not distributing or partially or wholly distributing the profits, within the framework of profit distribution policies.

Applications concerning general reserves and dividend calculation are carried out in accordance with the provisions of TCL, CMB and related legislation.

The profit of the period which remains after deducting the amounts that must be paid or set aside by the company such as the Company's overheads and miscellaneous depreciation as well as the taxes payable by the company's legal personality from the Company's incomes determined at the end of the operating period and which is shown in the annual balance sheet shall be allocated as follows and in the following order, after deducting previous years' losses, if any:

- a) 5% shall be set aside as reserves.
- b) Primary dividends shall be set aside in accordance with the Turkish Commercial Law and the Capital Market Legislation, over the amount to be calculated by adding the donation amount made within the year, if any, to the remaining amount.
- c) 5% dividend shall be set aside for founding shareholders from the amount remaining after the amounts specified in the clause a and b are deducted from the Annual Profit.
- d) The part remaining after deduction of the amounts specified in the clause (a), (b) and (c) from the net profit of the period may be distributed partially or wholly as secondary dividends or set aside as reserves set aside voluntarily

under the article 521 of the Turkish Commercial Law by the General Assembly.

e) One tenth of the amount calculated by deducting 5% dividends from the part decided to be distributed to the shareholders and other individuals participating in the profit shall be added to the general reserves as per the 2nd paragraph of the article 519 of TCL.

Unless the dividends determined for the shareholders and the reserves which must be set aside according to the laws are set aside, it cannot be decided to set aside other reserves, transfer profits to the following year and distribute shares from the profit to the members of the board of directors and employees of the partnership; nor shall it be possible to distribute shares from the profit to these individuals, unless the dividends determined are paid.

Furthermore, within the framework of the provisions of TCL, CMB Law and the relevant legislation, the General Assembly is authorized to distribute Advance Dividends.

The profits distributed in accordance with the provisions of the Articles of Association cannot be withdrawn. Recalling the profits in case of advance dividend distribution is an exception.

Dividends shall be equally distributed to all shares existing as of the date of the distribution, without taking the dates of issue and acquisition of these shares into account.

The manner and timing of distributing the profits decided to be distributed shall be decided by the general assembly upon the proposal of the board of directors regarding the issue.

SECTION VII:

Miscellaneous Provisions:

Competent Court:

Article 35 - All kinds of disputes that may arise between the company and its shareholders and all kinds of disputes that may arise during its operation and liquidation shall be handled and concluded by the competent court of the location of the Company's headquarters.

Termination and Liquidation of the Company

Article 36 - The Board of Directors may summon the General Assembly to meeting to discuss the Company's termination and liquidation or continuation of the Company for any reason. The Company shall be terminated due to the reasons listed in TCL or pursuant to a court decision. Additionally, the Company may also be terminated pursuant to a General Assembly decision. The relevant provisions of TCL shall be applied with respect to the termination and liquidation of the Company and the conduct of the transactions relating thereto.

Article 37- Provisions of TCL, CML and related legislation shall be applied regarding issues not stipulated in these Articles of Association.

Provisional Article 1- The nominal value of the shares, which was previously TL 1.000, was changed as 1 New Kurus as per the Law no. 5274 on Amendment of the Turkish Commercial Law, and then as 1 Kurus due to the abolishment of the word "New" in New Turkish Lira and New Kurus on 1 January 2009 as per the Council of Ministers Decision dated 4 April 2007 no. 2007/11963. Due to this change, the total number of shares were reduced and a share with nominal value of 1 (New) Kurus was granted in return for 10 shares in the amount of TL 1.000. The shareholders' rights arising from their shares with respect to this change shall be reserved.

The terms "Turkish Lira" used in these Articles of Association are the terms changed as per the Council of Ministers Decision mentioned above.
