"Pegasus Hava Taşımacılığı Anonim Şirketi" has been evaluated by JCR Eurasia Rating.

- Continuous growth in revenue bolstered by improved key operational results in the examined periods,
- High load factor continues to lead strong profit margins despite slight decline in FY2023 and 9M-2024 due to cost pressure,
- Maintaining reasonable level of net debt to EBITDA multiplier while continuing fleet investments,
- Increased cash assets driven by solid cash generation capacity, supporting the liquidity position in FY2023 and 9M-2024,
- Hard currency cash flow stream supported by increasing international scheduled flights and expanding flight network,
- Pegasus, one of the pioneering brand name in Türkiye and leading low-cost airline carrier in the sector with growing fleet size,
- Positive impact of Türkiye's favorable position among World's tourism centers on aviation sector,
- Diversified activities and proven track record of the main shareholder,
- High compliance with Corporate Governance Practices as a publicly traded company,
- Potential fluctuations in oil prices could pose challenges for cost management in the sector, although the Company's hedging instruments offer partial resilience,
- In the shadow of geopolitical risks, leading economic indicators point to continued weakness in global demand conditions, whereas actions for a soft-landing are at the forefront,
