OTOKAR OTOMOTİV VE SAVUNMA SAN. A.Ş. PROFIT DISTRIBUTION POLICY (proposed changes reflected text)

Our Company conducts a dividend policy within the framework of the provisions of the Turkish Commercial Code, Capital Markets Legislation, Tax Regulations and other relevant legislation as well as the provisions of the Articles of Association governing the distribution of profits. In distribution of profit, a consistent and balanced policy is followed between shareholders and Company requirements in line with Corporate Governance Principles.

In principle, as long as the relevant regulations, **investment requirements** and financial possibilities allow, a minimum of 50% of the **Company's** net distributable profit for the period calculated within the framework of Capital Market Regulations, taking into account market expectations, long-term company strategy, investment and financing policies, profitability and cash position, **as long as it can be met from sources available in our legal records** is distributed in the form of cash and/or free shares **by the decision of an Ordinary General Meeting or, if necessary, an Extraordinary General Meeting to be held during the year.**

There is no concession in the distribution of dividends. The dividend shall be distributed equally to all existing shares as of the date of distribution, regardless of their issuance and acquisition dates.

The dividend distribution date is determined by General Assembly and targeted to be within one month after General Assembly Meeting date. General Assembly, or if authorized Board of Directors, could decide to pay dividend in instalments within the framework of Capital Markets Legislation.

According to Company's Articles of Association, Board of Directors can distribute advance dividend with the condition of being authorized and compliant with Capital Markets Legislation.

KAMİL ÖMER BOZER

REMUNERATION POLICY FOR SENIOR EXECUTIVES AND MEMBERS OF BOARD OF DIRECTORS ANNEX/5

This policy document identifies remuneration system and applications of members of Board of Directors, General Manager, Assistant General Managers and Top Executives. In accordance with the Turkish Commercial Code and Otokar Otomotiv ve Savunma Sanayi A.Ş. article 13 of Articles of Association, a fixed fee is determined every year at the ordinary general assembly meeting for the functions of membership of the board of directors, applicable to all members of the board of directors. Payment to the members of the board of directors is made on pro rata basis by taking into account the duration they were on duty between the date of appointment and the date of resignation.

Executive Board members are paid in accordance with the policy established for top executives, which the details are described below. To the members of the board of directors who undertake duties in committees established by the board of directors, a premium determined by the board of directors based on the contributions except being a member of the board, attendance to meetings and functions of the members can be paid in accordance with the opinion of the Corporate Governance Committee at the end of each year. If any payment has made to members of Governance Committee within this context, it will be set off the mentioned amount at the end of the year.

For compensation of the independent members of the board of directors, the payment plans based on the performance of the company are not used.

Expenses incurred by the members of the board of directors on account of their contributions to the company (transportation, telephone, insurance, etc.) may be paid by the company.

Top executive salaries are consisted of two compounds; fixed and performance based.

Within the scope of our remuneration policy, remuneration and benefits management is organized and implemented as; fair, objective, appreciating high performance, competitive, rewarding and motivating. Fixed salaries of Top Executives are established in accordance with the international standards and the legal obligations by taking into account the macro-economic data in the market, the compensation policies prevailing in the market, the size and long term targets of the company and the positions of the individuals. With the remuneration policy, it is aimed to increase the motivation and commitment of employees by taking into account the internal wage balances and competitiveness in the market, and to provide qualified employees who will ensure that the company's strategic business goals are achieved.

Premiums for the Top Executives are calculated according to company performance and individual performance, in a way that will support the realization and exceeding of the company's business goals, and encourage superior performance by rewarding sustainable success. Some information about the criteria is summarized below:

Premium Basis: Premium Bases are updated at the beginning of each year and vary according to the job size of the positions of the executives. In the updating of the premium bases, the top management premium policies in the market are taken into account.

Performance of the Company: Performance of the company is obtained by measuring the financial and operational targets (market share, exports, overseas operations, productivity, etc.) assigned to the company at the beginning of each year at the end of the period. When the targets of the company are established, that the success is sustainable and includes improvements compared with the previous years are the principles which are importantly taken into account.

Individual Performance: Individual and collective goals set by Top Executives with their own teams and managers, as well as key result indicators, are taken into account in determining individual performance. In the measurement of individual performance, long-term sustainable improvement, compliance with Environment, Society and Corporate Governance (ESG) policies are taken into account, apart from financial areas.

In case of resignation of the top executives of our company, resignation premium can be paid by taking into consideration the term of appointment, term of top executive, provided contribution, last target premium before resignation date, salary at last year and premium information.

Total amounts determined in accordance with the above principles and paid to Top Executives and the members of the Board of Directors during the year are submitted to the information and/or approval of the shareholders compliance with the legislation at the following general assembly meeting.
