**CONVENIENCE TRANSLATION INTO ENGLISH OF
INDEPENDENT AUDITOR'S REVIEW REPORT ON SEMI-ANNUAL REPORT
ORIGINALLY ISSUED IN TURKISH**

To the General Assembly of Gözde Girişim Sermayesi Yatırım Ortaklığı A.Ş.

We have been assigned to the review whether the financial information in the review report of Gözde Girişim Sermayesi Yatırım Ortaklığı A.Ş. (the "Company") prepared as at 30 June 2025 is consistent with the reviewed interim condensed financial information. Management is responsible for the preparation of the semi-annual report. Our responsibility is to express a conclusion on whether the financial information provided in the semi-annual report is consistent with the reviewed interim condensed financial information on which we have expressed our conclusion dated 31 July 2025.

We conducted our review in accordance with the Standard on Review Engagements ("SRE") 2410 "Review on Interim Financial Information Performed by the Independent Auditor of the Entity". Our review includes the assessment as to whether the financial information included in the semi-annual report is consistent with the reviewed interim condensed financial statements and other explanatory notes. A review is substantially less in scope than an audit conducted in accordance with Independent Auditing Standards, the objective of which is to express an opinion on the financial statements. Consequently, a review on the semi-annual financial information does not provide assurance that the audit firm will be aware of all significant matters which would have been identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to conclude that the accompanying financial information included in the review report is not consistent, in all material respects, with the interim financial information and the information presented in the explanatory notes to interim condensed financial statements.
